

AOG Services Policy

AOG (Aircraft on Ground) is for emergency repair or service needed as soon as possible. AOG services can be based upon working or testing your aircraft/unit as soon as possible during normal business hour, after normal business hours, or on weekends. AIE, Inc.'s normal business hours are Monday-Friday 8:00 AM-4:30 PM PST, excluding holidays. Our AOG service fee is quoted per request and pricing is determined according to the specific services needed. The purchaser is responsible for all costs due at the time of service, unless other arrangements have been made. All AOG transactions are final and non-refundable, including services required for warranty items. If services are needed, please complete the form below and either present it to personnel at the time of service, or fax it prior to services rendered. We will NOT provide AOG services without a signed AOG Policy Form.
